

Application for the IMWSCC Rich and Susan Brown Scholarship 2016-2017 Academic Year

The Society of Cosmetic Chemists is a professional scientific organization whose mission is to: encourage the advancement of scientific and technical understanding within the Cosmetic and Toiletries Industry and the improvement of the qualifications and usefulness of cosmetic scientists through high standards of professional ethics, education and attainments; foster the application of all scientific disciplines within the industry; and increase by its meetings, reports, publications and professional contacts the recognition of the cosmetic scientist; and maintain the confidence of the general public in the industry.

In 2015 the Intermountain West Chapter lost a dear member, Rich Brown, in a skiing accident. In honor of Rich, his wife Susan and our IMWSCC chapter have teamed up to provide 1 scholarship in the amount of \$1,000.00 to any college student interested in pursuing a career in the cosmetic industry with a passion for chemistry. Our hope is to continue this tradition each academic year.

The scholarship applications will be reviewed by the SCC Intermountain West Chapter board members and the winner will be presented the scholarship at our December 1st, 2016 meeting. Successful candidates are encouraged to attend SCC meetings, volunteer at events, and collaborate with members of the Society when possible. Applicants that did not receive the scholarship will be notified by email.
